We do not discriminate on grounds of religious belief or political opinion. We practise equality of opportunity in employment and select the best person for the job.

To demonstrate our commitment to equality in employment we need to monitor the community background of our employees, as required by the Fair Employment Act 1989.

Regardless of whether we practise our religion, most of us in Northern Ireland are seen as either Catholic or Protestant. We are therefore asking you to indicate your community background by ticking the appropriate box below.

| Please tick the appropriate box | |
|---|--------------------------|
| I am a member of the Protestant Community | <input type="checkbox"/> |
| I am a member of the Catholic Community | <input type="checkbox"/> |
| I am a member of neither the Protestant or Catholic community | <input type="checkbox"/> |

| Could you please confirm your sex |
|-----------------------------------|
| Male / Female |

It is not compulsory to answer the above questions. However we would stress that it is a criminal offence under the legislation for a person to “give false information in connection with the preparation of a monitoring return”.

This form will be detached from the Application form and processed by separate individuals from those involved in the selection process. Only the person carrying out the Monitoring work will have access to this information. The persons interviewing you will have no access to this form or to the information contained in it.
